4K NEWS

We have been very busy in 4K learning about living and working in a community and the many helpers God provides. We want to say thank you to all of the people who helped to make these field trips possible! We especially appreciate all of the chaperones who have traveled with

us!

This month during Jesus Time we will be preparing our hearts for Easter by hearing the following stories from God's word: Jesus Saves Us from Sin Luke 23:26-24:81 and On the Road at Easter, Luke 24:13-35. As you celebrate Easter as a family, I encourage you to share these stories with your child

at home too!

We will then be hearing the story of Paul who shows us how the Holy Spirit makes our lives new, Acts 9:1-22.

During this week, we will also be studying the insect world.

3K NEWS

Spring is coming, and we can feel it in the air! We have been having fun playing outside and inside too!

We will be finishing our alphabet unit with the letters X, Y, and Z. We have finished our number unit and are now reviewing numbers, letters, colors, and shapes. We enjoyed having our grandparents and special people visit and look forward to learning about Easter and what that means in

our lives.

We will be preparing for our Easter program and learning a new handbell piece. We will also be putting our final touches on our artwork for the Art Gallery. We never knew art could be so much fun!

God's blessings,
Mrs. Alles

PARENT LIBRARY: St. Luke's Preschool/4K is pleased to provide a parent library for the use of our families. There are bookshelves by both the 4K and 3's classrooms in the hallway. The books and videos can be checked out for a couple weeks and returned. Book bags are located in each classroom. We ask that you sign the card in the pocket of the book, video, or bag and place it in the holder provided on the top of the bookcase. Each month books and videos will be featured.

The year is flying along. We have books in the parent library for those days when the weather is cool, windy, and wet. Or you may feel like cooking or baking. This is a fun experience to share with your kids. There are also books such as "The Treasury of Golden Books," "The Snail Who Lived in the Pail", and "Gigi, the Little Princess", to read with your children. Enjoy the DVD selection featuring the Berenstain Bears or Franklin. Please take a look.

St. Luke's Preschool/4K staff and the Lois Circle would invite any prayer request from our families. We lift our families in prayer throughout the year and would include any special concerns and request in these prayers. There is a box located on the parent library shelf as well as in the main entrance. All request are confidential.
